All measurements in centimeters have been coordinated: 2sq in=13cm², 3 sq in=19.5cm², 4sq in=26cm², 8sq in=52cm², 12sq in=78cm²

SOCKS & SHOES	
ITF/DAVIS CUP/GRAND SLAMS/ATP	Manufacturers identifications on each sock and each shoe shall be permitted. The idedntifications on the sock(s) on each foot shall be limited to 2sq inches (13cm ²). Specific Grass, Clay or Hard Court Shoes may be required for certain events. Shoes shall not cause physical or visible damage to a court.
GENERAL NOTES	
	In all of the above cases, good common sense and judgement is required. If Chair Umpires are unsure of the identification size or positioning then it is safer to check with the Supervisor/Referee. In most cases the Supervisor/Referee will push for a player to change illegal attire, but occasionally leniency may be granted depending on the circumstances. This is the Supervisor/Referee's call. Doubles players shall be dressed in substantially the same colours. White clothing & footwear: players at Wimbledon must be dressed almost entirely in white, including during the warm-up.
GENERAL NOTES - DAVIS CUP	Players and Captains shall be required AT ALL times to dress in compliance with Team Identification principles. This rule is mandatory for teams in the World Group and Group 1 each year. The rule is optional for teams in the Davis Cup Zonal Group 2 & 3. However, any team in Group 2 or 3 that chosese to adopt, or has previously been required to adopt, a Team Identification must follow the regulation in full. To comply, a Player and Captain shall display the Nation's name on the back of his shirt or he shall dress in National Colours. Team identification shall be in accordance with the official Davis Cup style guide. Members of doubles teams shall be dressed in substantially the same colours. In the case of Team Identification, this requirement will be satisfied as long as both members of the team display the Nation's name on the back of their shirts and dress in substantially the same colours or both members of the team dress in National colours
